*** Note 1:** Dean Machinery in their response stated their equipment quote was subject to availability. They were contacted as the low-bidder on each item and it was found they had no units available. Therefore, we decided to awarded to the 2nd-low-bidder, Tri-State Construction Equipment.

*** Note 2:** Tri-State Construction Equipment in their response stated they had, two static rollers in stock and depending on if they were awarded or not they would obtain a third new unit and delivery in mid-May. Therefore, we decided to award all items to the vendor and will alter the lease period for Princeton to be for 4 months beginning after delivery in mid-May.
